

# Terms & Conditions

Treatment bookings here at Seckford Spa require a 50% deposit on ALL treatments. We understand that sometimes you may need to cancel treatments. However, any deposits made are non-refundable. If we are made aware 48 hours in advance we are able to change the date of the booking. After 48 hours of notice deposits are non-refundable and non-transferable.

We do take full payment for our Spa Experiences to secure your booking.

Please advise on booking if you or any of your group are pregnant or may be pregnant at the date of arrival. Certain areas of the spa are off limits for pregnant guests due to the raised levels of heat. Many treatments are also unavailable for pregnant guests, however we do offer a range of treatments for those who are 12 weeks pregnant or over.
